FIELD TRIPS Back Stage Dance Center LLC is always planning something exciting for our students and families. Field trips will be offered to such places as Broadway Dance Center, Radio City Music Hall, Shubert Theater, etc. Watch our bulletin board for information. Tickets will be offered on a first come first serve basis.

OUR SPRING PERFORMANCE is not scheduled at this time. Morgan High School will be under construction. We are in the process of researching options for an alternative location. Please watch the bulletin board for additional information, it will be posted ASAP. To accommodate a larger audience, this season we will hold two performances, one on a Saturday evening and one on a Sunday afternoon.

NON-PERFORMANCE CLASSES are available throughout the season. These classes are an option for those students who wish not to perform in the show, or those who would like to take an extra class.

BULLETIN BOARD, located in our waiting room area, changes monthly. **You are responsible for all information located on the board.**

COMPETITION PROGRAM - Dance is a sport like any other. Students interested in competing or pursuing dance on a professional level are encouraged to develop themselves in our competition program. Four regional competitions will be done this season. You must receive approval from a director to be part of the team. Accept the challenge!

EXTRAS are classes designed for students wishing to participate in a "mini production" in our Spring Performance and/or Holiday Show. Although a costume fee is required, there is no cost for the class time. Watch the bulletin board for details.

MAKE UP CLASSES may be made up at anytime. There is no need to call for an appointment. Review the schedule, choose a convenient class offered for your age and come on in! Approved make up classes include: if you're out ill, there is a snow day or a personal religious holiday. We strongly encourage making up any classes missed to maintain the continuity of your child's dance education.

CLASS PREPAREDNESS is very important! Not only should you arrive early, but get a drink, go to the bathroom & make sure your hair is up BEFORE CLASS STARTS! The beginning of class is designed to warm up the body to prevent injuries. If the child has missed the warm up, the teacher may ask them to sit down and watch the class to prevent injury.
