

SNOW DAYS may happen! If they do, the best way to check if we're closed is to **call the studio** and check our phone message machine. Makeups for these classes may be made at any time! Check your master schedule. You may make up a class at your convenience, no need to call, just come with your dancing shoes.

TUITION There is an annual \$20.00 registration fee per family. The 2006-2007 dancing school season will contain a minimum of 33 weeks. These are weeks in which classes are held, vacations are not included into your payments. All tuition paid is non-refundable, however, you may receive a dancing school credit. For your convenience, we have two payment options, annually (this option offers a 5% discount through November 1, 2006) and monthly. Payments may be made in the form of cash, check, Visa or Mastercard. A late fee will automatically be applied to your account if payment is not received by the 15th of the month. All returned checks will be fined a \$25.00 service charge. Classes missed due to illness, inclement weather or personal holiday may be made up in another scheduled class, we do not pro-rate payment plans.

PERSONAL PROPERTY is not the responsibility of Back Stage Dance Center LLC. Please put the student's name on the tags of clothing, jackets, bags, in shoes, etc. There is a lost and found bin located in the student dressing room area.

COSTUMES will be ordered the first week in December, in order to assure availability of sizes and prompt arrival. Your costume payment will be spread out over three months (October, November & December). Final costume payments must be received by December 1, 2006. Costumes not paid in full will not be ordered.

DRESS CODE POLICY - Student's should be dressed properly in order to receive proper guidance from the instructor. This policy is important for the safety and education of the student. Please read carefully and contact us with any questions or concerns.

FOR ALL CLASSES:

HAIR must be up: i.e. (pony tail, braids, buns).

Short hair should be pulled up off the face as much as possible.

TIGHTS must always be worn. Tights help to warm up muscles and protect the dancers legs and feet.

LEOTARD may be whatever sleeve length the dancer is comfortable in. Unitards are also acceptable.
